## Work/Training Experience

### New San Jose Builders, Inc.

February 2024 - April 2024

#### Web Developer - Intern

- Studied the fundamentals of HTML, CSS, and JavaScript
- Utilized SQL and MySQL with PHP
- I created my own website, which focused on Customer Relationship Management. The front-end of the website was developed using HTML, CSS, and PHP. XAMPP Apache was utilized as the back-end for the database. The website includes user authentication and data entry.
